## Note:

1. The comps I have entered for are **highlighted**. I have 3 spare seats in my car if anyone wishes to join me. Don Riffart (Treasurer). All you have to do is enter yourself, most of which can be done on line and pay by BACS or the usual cheque and post
2. Junior competitions often have different age catagories U18, U16, U14 & U12. There are often low entries for these catagories so it's possible win a medal for just entering.
